Reference: Amended October Quarterly Report (8/21/00-9/30/00, dated 12/7/00)

Dear Mr. Koeppen:

This letter is in response to your review of our report referenced above. The review raised questions about certain information and activity contained in the above mentioned report.

-We are submitting the missing schedule D to support the entry reported on Line 10 of the Summary page.

-In accordance with FEC regulation we have reclassified the expenditures alluded to in your review of our report. **The Literature 1 and Literature 2 expenditures are exempt as generic "Campaign Materials" that were produced for distribution by volunteers. Literature 1 and Literature 2 "Promote a Generic Message and do not mention any electioneering activity for or against a specific candidate." These pieces also included a major volunteer activity in the distribution of this campaign material.**

In accordance with your review of other activity that we claimed as **"Exempt"** we agree with your preliminary review and have reclassified this expense as a **"Generic Voter Drive and Issue Advocacy Expense".** The expenditures identified as **"Issue Ads"** follow guidelines the Commission set forth on Party activities and expenses that indirectly benefit candidates but are not directly attributable to any clearly identified candidate. We have allocated these expenses on our **"administrative split"** paying for these costs with permissible funds through our federal and nonfederal accounts.

Paid for by the Democratic State Committee

-The use of "Admin" is intended to indicate an expense which is attributable and can be paid for with permissible funds from the Federal and Non-Federal accounts using the correct allocation ratio. "Advertising" should be a category under "Admin". The "disbursements identified as "Advertising" should be corrected to "Admin-Advertising".

-We have included in this amended report the original vendors from which we purchased items using a credit card.

-As for any transfers made supporting the above mentioned "exempt" and "voter drive" activity all transfers were made on the correct allocation ratio using permissible funds.

We can be reached at (302) 996-9458 should you have any questions or need additional information on this report.

Sincerely,

Jim Purcell
Executive Director
