RE: C00044842

This letter is in response to the Commissions preliminary review of the 2008 year end report. In an effort to fully comply with FEC rules and regulations essential to full disclosure of our federal election campaign finances, we offer the following clarifications for the following three items requested:

1. Due to a data transition to new software vendor (Aristotle), Calendar Year-to-Date figures did not reflect that of the actual aggregated receipts and disbursements. Amendments to this report and the subsequent reports to follow have or will be filed. Aristotle has acknowledged this error and has taken steps to rectifying the data.
2. Transfers totaling \$45,557.73 from Hackett Pennsylvania Victory Committee have been amended to be properly disclosed on Schedule A of the 30 day Post General Report. Memo items are properly disclosed to itemize the committees share of the gross contributions received through the joint fundraising committee.
3. Paid debt to FLS Connect is now linked to disclose payments in the amount of \$26,408.43 and \$374.53. This paid debt is now properly disclosed on Schedule B line 21 (b).

An amendment making the necessary changes outlined above was filed online 07/20/2009. If you should have further questions, please contact me at 717-234-4901.

Sincerely,

Joseph Brion, Treasurer  
Republican Federal Committee of Pennsylvania
