

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

BQ-2

JAN 23 1996

Douglas White, Treasurer
Black America's Political
Action Committee
2029 P Street, NW, Suite 202
Washington, DC 20036

Identification Number: C00300921

Reference: November Monthly Report (10/1/95-10/31/95)

Dear Mr. White:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-You must provide the full name, mailing address, occupation and name of employer for all individuals who contribute more than \$200 in a calendar year. Please amend your report to include the omitted information.

A committee may demonstrate "best efforts" to obtain the required information by providing the Commission with a description of its procedures for requesting the information and may also supply a copy of a solicitation; the committee must request the contributor information in initial solicitations; make follow-up requests (if necessary); report the information; and file amendments to disclose previously unreported information. Each solicitation must include a clear and conspicuous request for the information and must inform the contributor that the reporting of such information is required by federal law. If a committee receives a contribution that exceeds the \$200 threshold but lacks contributor information, the committee must, within 30 days, make an additional written or oral request for the information. Please note that a written request may not include an additional solicitation or material on any other subject, other than thanking the contributor for the donation and must include a pre-addressed return post card or envelope for the contributor's response. An oral request must be documented in writing. Committees must also disclose information that was not provided by the contributor, but is available in any of the committee's records for that current election cycle. Furthermore, if a committee receives contributor information after the contributions have been reported,

it must submit, with its next report, an amended memo Schedule A listing all the contributions for which additional information was received or file, on or before the next reporting date, amendments to the previous reports on which the contributions were originally disclosed. See 11 CFR §104.3(a)(4)(i) and 11 CFR §104.7.

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(d) preclude a committee from receiving contributions from another political committee or person in excess of \$5,000 per calendar year.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeded the limits, you must seek reattribution of the contribution pursuant to 11 CFR §110.1(k), transfer-out the amount in excess of \$5,000 to an account not used to influence federal elections or refund the excessive amount to the donor(s) in accordance with 11 CFR §103.3(b). In the best interest of your committee, all reattributions, transfers-out, and refunds should be made within sixty days of the treasurer's receipt of the contribution(s). In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of granting written authorization for a reattribution or transfer-out to another account or receiving a refund.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

-Your report includes computer produced formats of Schedule A. Computer produced formats may only be used upon prior approval of the Commission. You should submit a separate sample format with a cover letter requesting approval. Until your format has been approved, FEC forms must be used. 11 CFR §104.2(d)

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
