The amended reports reflects several adjustments as a result of our PAC year-end compliance review. The amount paid to vendor Work for Progress, Inc. on November 5, 2012, in support of Barack Obama was overestimated; the actual expenditure was \$5,127.85 less than originally reported. In addition, two expenses have been added to Line 21(b) that were inadvertently left off the Post-Election report. We are filing an amended Post-Election Report and an amended Year End Report to ensure that our filings fully and accurately reflect all expenses and disbursements of Fair Share Action.
