Dear Ms. Stolaruk:

I am committed to complying with the timely filing of FEC reports, however our accounting staff requests for the necessary bank statements within the appropriate timeframe are not being fulfilled. I am sure that we are not the only organization who struggles to get the financial documents in time to file FEC report. What are others doing to meet these tight filing deadlines and do you have any other advise on how we can comply given the inherent delays in receiving the banks financial reports.

I would appreciate your suggestions.

Sincerely,
