Dear Ms. Bennett,

We are in receipt of the enclosed letter automatically closing our committee for lack of filing. All missing reports have been filed and confirmation of receipt received electronically. I spoke earlier today with Chris Ritchie who informed me that this meets the requirement and that all I needed to do now is to send this letter in response to let the commission know that we wish to continue the committee as it is now.

I have been named the new Treasurer for the committee and filled the form 1 Statement of Organization to change the treasurer name to me. No other changes were necessary. If you should require any additional information please do not hesitate to contact me via email at cccajohn@yahoo.com.

Thank you for your consideration and assistance in this matter.

Sincerely,

John Fugatt
Treasurer, California Pro-life Council INC.

Dear Treasurer:

Pursuant to 52 U.S.C. §30103(d)(2) of the Federal Election Campaign Act, and Commission regulations at 11 CFR §102.4, the Commission intends to administratively terminate your committee. As such, your committee is no longer obligated to file reports. *However, any receipt or disbursement of funds by the committee for the purpose of influencing a Federal election or supporting a federal candidate will void the administrative termination.* In such an event, the committee will be required to begin filing reports with the appropriate office. The first such report will include any activity since the date of the last report filed by the committee. The treasurer of the committee has 30 days from the day of receipt of this notice to object to this administrative termination. If a written objection is not received by the Commission within 30 days, this action will take effect.

Please note that:

-Excess or residual funds can only be used in accordance with Commission regulations 11 CFR Part 113.

-The administrative termination of your reporting obligation does not relieve the committee of any legal responsibility for the payment of any outstanding debt or obligation, even if those debts are owed to the United States Department of Treasury.

-The committee must continue to maintain all records in accordance with 52 U.S.C. §30102(d) which should be available for Commission inspection should the need arise.

-Any funds used to defray the remaining debts and obligations of the committee must comport with the limitations and prohibitions of the Federal Election Campaign Act of 1971, as amended, and the Commission's regulations.

If you should have any questions concerning this matter, please call Chris Ritchie, Campaign Finance Analyst for the Reports Analysis Division, at (202) 694-1130 or toll free (800) 424-9530.
