April Quarterly Report (1/1/06-3/31/06)

Dear Brad:

I am filing a second amendment for the above-referenced reporting period to include the original vendors for the expenses for the Senate District 10 convention. These expenses were incurred during this reporting period, but I failed to report the vendors. There will be 4 more expenses related to this convention that were incurred during the next reporting period.

Thanks,  
Paula Mackey
