Dear Ms. Sharp:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your reports disclose Coordinated Expenditures on Schedule B supporting Line 25 of the Detailed Summary Page. Please note that Coordinated Expenditures are made by National and State party committees on behalf of their candidates in connection with the general election. Non-party committees may not make Coordinated Expenditures on behalf of federal candidates. Please amend your report to clarify the nature of these expenditures and report them as either an in-kind contribution to each federal candidate on Schedule B supporting Line 23 or as an Independent Expenditure on Schedule E supporting Line 24 of the Detailed Summary Page.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
