

This is in response to your letter dated August 20, 2010 concerning the July Quarterly Report (4/1/10-6/30/10) of Google Inc. NetPAC (the "Committee"). You asked about the year-to-date total reported for one of the Committee's donors. The year-to-date total is correct as reported, as was discussed in a telephone conversation with a representative from DDC Advocacy on August 26, 2010. Specifically, on January 28, 2010, the Committee made a refund to John Walker for excessive 2009 contributions. Because this refund applied to 2009 contributions, it was not included in the calculation of 2010 aggregate receipts for Mr. Walker.
