

In response to the request for additional information dated 5/28/2009 regarding the Amended August Monthly Report received 5/7/2009, the outstanding debts were amended for the following reasons:

- 1) A \$10,000 debt that had been listed for Marco Faust was transferred by Mr. Faust to his company, Interdex Inc on 8/1/2008. This debt was then listed as outstanding on the September Monthly report.

- 2) The outstanding debt to Marcos Rubenstein was reduced by \$25.64 after a review of documentation submitted by Mr. Rubenstein.
