In October 2019, two fraudulent withdrawals were taken from the National Corn Growers Association PAC Account. The withdrawals were discovered during a review of the most recent bank statement. The bank was immediately contacted and a new account number was put in place. We also activated positive pay for the new account to prevent future occurrences.

The fraudulent charges were as follows:

- 10/22/19 960.33
- 10/28/19 936.02

The withdrawals will be reported in our November 3X report. The bank will be refunding these funds in November, and the refund will be reported in the December 3X report. If further information is needed, please contact us at 202-326-0646.
