Dear Mr. Desoignie:

On July 25, 2001, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your August 8, 2001, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-On the amendment for the 12 Day Pre-Primary Report, Schedule B supporting line 23 still does not provide the office sought for House candidates. Please note that the box provided for office sought must be checked. 11 CFR 104.3(b)(3)(ii) and (v)

-Your committee did not file an amendment to the October Quarterly. Please amend Schedule B Line 23 by providing the office sought (House, Senate or President), state, congressional district, if applicable for each contribution made. 11 CFR 104.3(b)(3)(ii) and (v)

An adequate response must be received at the Commission by September 5, 2001. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of

the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
