

I am filing this response to the May 30, 2008 letter received from the FEC regarding the April Monthly Report. I became the PAC treasurer on April 2, 2008, but when filing the April Report for March activity we felt the prior treasurer, Josue Robles, should sign the report since he was more familiar with the activity. Going forward I will be signing all FEC reports. We spoke to Jodi Bishop and she instructed us to electronically file our explanation and that an amended return was not needed.
