This Form 99 Submission is in response to the Commission's letter dated September 16, 2014 regarding the Committee's July Monthly Report. The Contribution from The Home Depot, Inc. PAC was correctly deposited and reported by the Committee. The contribution was made in the form of a check made payable to Georgia Democratic Party - Federal. The FEC

ID #C00284885 was printed on the check. It appears the PAC failed to disclose the contribution on their report.

The contribution from the Retail, Wholesale & Department Store Union Committee on Political Education was one of two checks presented to the Georgia Democratic Party. The first, although it was solicited as a federal contribution, deposited into the Committee's federal account, and disclosed on Line 11c of the Committee's July monthly Report, it was reported on Line 29 of the PAC's Report. A subsequent contribution was received from the PAC in September for the same amount. Since the PAC had already met their federal contribution limit, the Committee deposited the second contribution directly into their Non-Federal account. We have contacted the PAC, and have asked them to amend their report(s) to simply change the line numbers each of their contributions to the Georgia Democratic Party were disclosed.
