Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 items:

1. Schedule A supporting Line 11(a)(i) of your report discloses \$16,900 in activity identified as MEMO entries that do not appear to correspond with any itemized transaction(s). Please be advised, a memo entry is used to disclose additional information about an itemized transaction and the amount of a memo entry is not included in the total receipts or disbursements for the report. Please amend your report to provide clarifying information regarding this activity.

2. Schedule A of your report discloses earmarked contributions totaling \$27,000, with no corresponding entries on Schedule B. Pursuant to 11 CFR §110.6(c)(1)(v), all earmarked contributions that have passed through a conduit's account must be itemized on the receipt (Schedule A) and disbursement (Schedule B) schedules, regardless of amount. All earmarked contributions that have been forwarded in the form of the contributor's check or written instrument must be itemized as memo entries on the receipt (Schedule A) and disbursement (Schedule B) schedules, regardless of the amount. Please amend your report to clarify these discrepancies.

3. Schedule B supporting Line 23 discloses apparent contributions to candidate committees with "League Of Conservation Voters Action Fnd" as the payee. Please amend your report(s) to disclose the full name and

address of the recipient committee, as well as the candidate name, office sought, state and congressional district (if applicable).

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
