RE: I.D.# C00254490 REPORT FOR 1/1/01 - 6/30/01

□

Your letter dated June 19th was received by us on June 26, 2003 pertaining to multiple H1 schedules. □

□

I have attempted to amend this report; however, I have been unable to delete the multiple H1 schedules. However, they all reflect the same correct allocation ratio for this period. □

□

I have left a message with the FEC technical support office to assist in correcting this problem of multiple reports. As soon as I receive a response and instructions from them as to how to delete the multiple reports, I will amend this report so that it only has one H1. □
