Dear Ms. Juris,

We are in receipt of your letter requesting more information about our committee's (ID# C00491605) Line 15 disclosure on our July Quarterly Form 3X covering period 4/1 through 6/30/2012. The \$5300 from Employers Resource was originally paid through The Davis Group, Inc. for third party payroll/staff services. The campaign reimbursed the Davis Group, Inc. during 2012 and then decided not to continue using Employers Resource. The \$5,300 was then refunded (it was a deposit) directly to the campaign.

If you have further questions please let me know.

Sincerely,

Betty Presley
Treasurer
