Fairfax County Democratic Committee's Best Efforts Procedures.

All solicitations for money include language requesting occupation and employer and explaining that we are required by Federal law to request this information. After the books are balanced and the FEC report is filed each month, we run a report that gives us the names of all individuals whose contributions exceed the \$200 threshold and who missing employer or occupation. We contact them by email or by phone and ask for the missing information. If no one answers the telephone, we leave a message. We keep a record of the responses.
