City	State	ZIP Code
Beverly Hills	CA	90212

In response to RFAI this commiitte recieved in-kind contribution for non contribution account on July 11,2015 for 231,300.00 . As an in-kind contribution funds was never deposited in our account and should not have been included in our ending cash on hand for the reporting period.

Additionally there has been no activity and there are no funds in our bank account and i would like to terminate.
