RE: Your letter of May 28, 2003 regarding Amended April Quarterly Report 1/01/02-3/31/02

□

I have reviewed this report and it appears that there is an H1 which discloses the ration for allocation for administrative and voter drive costs. (Non Presidential/Senate 15%).

□

Also, upon review of all entries on the H4s, it appears that all entries have a check mark for administrative costs.

□

Consequently, I am not sure what is to be amended. If further amendment is necessary, please advise as to what specifically needs to be amended.

□

Thank you.
