Re: Edwards for President: FEC Id. No. C00384073, April Monthly Report

Dear Ms. Palmer,

This is in response to your letter requesting additional information pertaining to the above-listed report of Edwards for President (the Committee). The following sections are headed to address the issues raised in your letter.

Contributions

You have requested additional information on the reattribution, redesignation, or refund of certain contributions that are so marked in your request. The Committee has reviewed the contributions noted by you and is providing the following information. Because this response must be filed electronically, a copy of the Committee's report and checks will be provided under separate cover.

With respect to two (2) of the contributions noted, the Committee made inadvertent attribution mistakes. In both of these cases, the Committee received a contribution from a joint checking account or a joint credit card contribution on the Internet and did not split the contribution correctly between the joint account holders or the wrong portion was attributed. Unfortunately, due to our data entry errors, the contributions appeared to be excessive when they were not. These are contributions from Carone and Feiber. Amendments of previous reports will be filed to correct the public record pertaining to both of these contributions. Copies of the checks will be provided under separate cover.

In one case, the Commission has confused two family members with similar names as the same person. The contributions from T E Lundy and Trevor Lundy are from two separate individuals, with two separate addresses and two separate occupations. We will provide copies of these checks.

An additional five (5) contributions were also refunded. These are Curcio, Emrenkranz, Feiber, Hastings, and Parker. All five (5) of these refunds will be reflected on the July Monthly report. These checks will be provided under separate cover.

Three (3) of the contributions noted as excessive were in fact press offsets for campaign travel and not contributions. These are DeMarco, Hinton, and Torontali. These were mistakenly placed on Line 17A in addition to Line 20A by a data processing error. This change will be reflected in an amendment to the April Monthly Report. In addition, we have addressed this issue with our vendor to prevent any future occurrences.
