Dear Filer:

This letter is prompted by the Commission's preliminary review of the Report of Independent Expenditures Made and Contributions Received (FEC Form 5) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** Additional information is needed for the following 2 item(s):

1. Your report discloses activity outside the coverage dates. Please amend this report and any previous reports so that all activity is disclosed in the report covering the period in which the activity occurred. (2 U.S.C. § 434(b) and 11 CFR § 104.3)
2. It appears that 48-hour notice(s) for the attached independent expenditures was filed late. Please be advised that you are required to file 48-hour reports once you make independent expenditures aggregating \$10,000 or more with respect to a given election any time during the calendar year up to and including the 20th day before the election. The report must be received at the Commission 11:59 p.m. Eastern Standard/Daylight Time by the second day after the communication was publicly distributed or otherwise disseminated. In the report, you must include information for all independent expenditures that have not been previously reported. Each time you make subsequent independent expenditures relating to the same election that aggregate \$10,000 or more, you must file another 48-hour report disclosing these independent expenditures. (11 CFR § 109.10(c) and (e)) Please provide clarification regarding the timeliness of your 48-hour reporting for the independent expenditures in question. Further, if the date disclosed on your Form 5 was the date of payment, rather than the date of public dissemination or distribution, please provide the date of dissemination or distribution.
