RE: Yours of 9/15/95  
Mid-Year Report (1/95-6/95)

Dear Ms. Shaw:

I presume there is some mistake, since the form we are using for our Schedules B and C (as well as Schedule A, when that is part of the report) was approved many, many years ago, and we have been using the same forms unchanged since that time.

Unfortunately it was so long ago, that our copy of the Commission's approval letter is buried in rather old files in storage, and difficult to retrieve. Hopefully, Commission files can be accessed more easily. You might also look at our past reports, going back to 1988, for example -- again, the form goes back farther than that, but our older reports are also in storage. That is the oldest year that I have positively confirmed, based on readily accessible files, for which the form was already in use.

Please let me know if any further search is necessary (for example, if your file copy of the approval letter is as buried as mine).

Sincerely yours,

  
Katherine Jenkins  
Treasurer
