

In regard to your letter June 20, 2008, asking about Line 5(b) and for information regarding our 51st contributor, the date of 2/01/08 is correct.

We only have four contributors who have given more than minimal amounts, and only eight who have given \$250.00 or more. The other 55 contributors are small donors, typically responding by PayPal.

I will be happy to send you a list of names and addresses if you want. I also tell everyone to disclose to me their occupation and employer, but many of them do not respond after sending me an initial PayPal donation.
