As we have previously advised the Commission, the Democratic Senatorial Campaign Committee discloses its memo entries from its affiliated committees on a monthly reporting cycle and reports its transfers-in on Line 12 based upon the dates the dollars are actually received. Thus, a memo entry will be included in the Committee's report if dollars were contributed in that period to the affiliated committee. However, dollars from the affiliated committees are transferred only periodically to the Democratic Senatorial Campaign Committee, thus there is no direct relationship between the dollars on the monthly memo entries and the dollars reported as received on Line 12.

With respect to the Schedule A supporting Line 17, list rental income from A.B.Data, please be advised that the Committee's names are sold at the standard market value of a dollar amount per 1,000 names

If you require further information or clarification, please notify me.

Sincerely,

  
James M. Jordan  
Treasurer
