Re: Llano Tea Party, C00490516 July 15, 2014 Quarterly Report

Dear Maureen Benitz:

I will address the issues in your letter of July 16, 2014 by the numbers you assigned to them.

1. Our official address has not changed, as treasurer I have financial mail sent to my post office box and without thinking used that address in my FEC reports. I will use our official address in the future.
- 2, I am aware of the \$200 aggregate requirement. We have very few members capable of making large donations. Most of our receipts are individual donations for our monthly dinners (we ask for a \$15 donation for that) which do not add up to \$200 in a year. Most members miss a few meetings each year. Occasionally a member contributes \$200 or more and I have always reported those individually.
3. The receipts that appear to be from a corporation are actually the aggregated dinner and miscellaneous donations from our monthly meetings. The form demands a name and address so I used the name and address of the restaurant where we meet. I see now that is inappropriate but I'm not sure how to handle this. I would appreciate guidance on this issue.
4. All these expenditures were by check. To me a check is cash but I see the distinction for your purposes. The check numbers in the order that you listed the candidates are 202, 200, 206, 208, 214, 207, 216, 201, 209. Two of the checks cleared in my June

bank statement and I am attaching a copy of those for verification. I will amend my report to correct these items.
