Dear Ms. Sinram:

The committee is in receipt of your letters dated April 6, 2017 regarding the committee's September Monthly (8/1/16 – 8/31/16), Post-General (10/20/16 – 11/28/16), & Year-End (11/29/16 – 12/31/16).

Column B – All Reports

The committee filed amendments to the three referenced reports to correct the Column B issues noted in your letter.

24H Notice / Schedule E Transactions – Post-General Report

With regard to the Glittering Steel LLC transaction for \$37,500 referenced in your letter, the committee reported the transaction on a 24-Hour report, dated 11/2/16 (FEC-1122832, p. 3 of 3).

With regard to the IndianRunner Inc. transaction, the transaction was originally reported on Line 21b of the Pre-General Report because it was disbursed in that period but not disseminated until the Post-General period. As such, the committee has amended the Post-General report to show the transaction coming off of Schedule B, Line 21b and going on to Schedule E, Line 24 which is consistent with the referenced 24-Hour report as referenced in your letter.

Date Range for the Post-General Report

The committee understands that the Post-General period covered 10/20/16 – 11/28/16. The software would not allow for the date correction without creating an error in the Column B numbers for the report. The committee will file a report with the correct dates if it can do so without changing the correct Column B numbers. However, the report filed (both the original and the amendment) covered the correct period.

Thank you for your assistance.

Sincerely,
Jacquelyn James, Treasurer
