No expenditure was made on behalf of a specifically identified federal candidate, and no expenditure was for a public communication that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. The payments disclosed on Schedule B for Line 21(b) for fundraising activities did not constitute public communications that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. While these disbursements were eligible for allocation using the funds-received method, the Committee elected to pay these expenses with 100% federal funds. Committee employees are almost exclusively working on non-federal candidate elections. To the extent that activity might also constitute get-out-the-vote activity or other generic activity, all salaries and benefits are reported on Line 30b. Activity disclosed on Line 29 was exclusively for the benefit of non-federal candidates and did not also constitute Federal Election Activity. Communications reported on Line 29 referred solely to one or more state candidates, did not refer to any candidate for federal office and also was not generic campaign activity or any form of activity that would constitute Federal Election Activity.
