The Committee is in receipt of the Commission's request for additional information dated 03/27/2014 regarding the Year-End Report for 2013. The committee has corrected the disclosure for the conduit contributions. In addition duplicate donor records were discovered in the committee's database and when the records were merged the aggregate totals became itemized. Finally, the Advances to Staff are properly disclosed on the correct lines of the report. This amendment now discloses those contributions and corrects the Detailed Summary Page totals to reflect these changes.
