Dear Mr. Baker:

On February 3, 1999, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

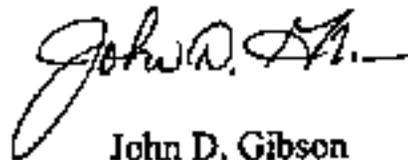

Your February 22, 1999, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-You state in your letter that you have "redesignated and clarified" the contribution made to the Brian Baird for Congress committee. On Schedule B of your amended report, this contribution is now designated for 1998 General Election debt retirement. This committee, however, discloses no outstanding debt for either the Primary or General Elections. The contribution should be redesignated for a future election or you should notify the recipient and request a refund. Please inform the Commission of your corrective action in writing and provide a photocopy of any refund request sent to the recipient committee. Note that redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignations are made and refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which the refunds are received.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Edward Ryan on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in cursive script that reads "John D. Gibson". The signature is written in black ink and is positioned above the printed name.
