Re: October Monthly Report (09/01/2010 09/30/2010)

Dear Ms. Sinram:

The Commission's preliminary review of the report referenced above raised questions concerning certain information contained in the report. We amended our report on 5/27/11 and filed a Form 99 addressing the questions, but had not included the changes to item 3 noted below. We have addressed the questions below and have disclosed any changes or clarifications in our amended October Monthly Report (see amendment e-filed 6/9/11).

3. After review of payment(s) for LIT: doorhanger (Volunteer distributed), we determined that this expense was incorrectly disclosed on Schedule H6. This expense does not meet the definition of FEA and therefore should have been disclosed on Schedule H4 as exempt Non-FEA communication. We have amended our report to reflect the changes. The reimbursement from our non-federal committee to the Levin account for the Levin's share previously transferred to the federal committee will be disclosed on the 2011 July Monthly Report.

8. On Schedule H4, the event year-to-date total calculations for Administrative category are correct. We have amended our report to reflect the amendments to subsequent reports that affected the event-year-to-date totals on Schedule H4.

9. On Schedule H4, the expenditure made for facility rental was for a kick off rally and the expenditure made for facility rental, hotel was for a staff training/meeting expense. These expenses were not made on behalf of specifically identified federal candidates. On the amendment filed 5/27/11, we disclosed this expense on Schedule B Line 30(b) in error. Correction to disclose expense on Schedule H4 is reflected on amendment filed on June 9, 2011.
