Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

1. Schedule B supporting Line 21(b) of your report discloses \$15,720.88 in activity identified as MEMO entries that do not appear to correspond with any itemized transaction(s). Please be advised, a memo entry is used to disclose additional information about an itemized transaction and the amount of a memo entry is not included in the total receipts or disbursements for the report. Please amend your report to provide clarifying information regarding this activity. (11 C.F.R. § 104.3(a) and (b))

- For your information and consideration when preparing future filings, political committees that have established a federal account and a non-contribution account consistent with the stipulated order in Carey v. FEC should report their activity according to the Commission's interim reporting guidance after notifying the Commission of their intent to do so.

Committee's using a separate non-contribution account should (1) deposit the contributions into a separate bank account for the purpose of financing independent expenditures, other advertisements that refer to a Federal candidate, and generic voter drives, (2) ensure the non-contribution account remain segregated from any accounts that receive source-restricted and amount-limited contributions for the purpose of making contributions to candidates, and (3) ensure each account pay a percentage of administrative expenses that closely corresponds to the percentage of activity for that account.

Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
