REFERENCE: YEAR-END REPORT (10/01/2023 - 12/31/2023)

Dear Mr. Harkins,

This statement is in response to the Commission's letter dated March 10, 2024, regarding two (2) items on the above-referenced report (the "Original Report").

First, the Commission's letter requests clarification regarding contributions from eight (8) contributors disclosed on the Original Report that appear to exceed federal contribution limits. Seven (7) of the listed contributors had their excessive contributions properly and timely redesignated. These redesignations were disclosed on the Committee's 2023 Amended July Quarterly Report (see Trans IDs: AF45F06C468A44540A.1; 6E089F10D6964CBE9151; 856E135E6246C84C1; 935208EEF6BE4EBB7F1; 63CD2DCE984648331; 14724D7CC5C647371; 1C775225EFB45E38371). One (1) contributor had his excessive contributions properly and timely redesignated, as will be reflected on the Committee's 2024 April Quarterly Report.

Second, the Commission's letter requests clarification regarding apparently unremedied General election contributions. All contributions that were designated to the 2024 General election for President of the United States (including those referenced in the Commission's letter) have been redesignated to the 2028 Senate Primary election, refunded to the donor, or returned to the joint fundraising committee through which it came for proper reallocation. These actions were reflected on the Committee's 2023 Year-End Report or will be reflected on the Committee's 2024 April Quarterly Report in accordance with the date of the activity.

Please feel free to contact us if you have any further questions.

Sincerely,

Stacy E. Wiggins
Treasurer
