This memo is in response to the commission s request RQ-2 Dated August 11, 2004 in reference to our July Quarterly Report (4/1/04-6/30/04)

The Fresno County Republican Central Committee (FEC # C00334383) maintains monthly employee logs for our Executive Director indicating whether she has spent more than 25% of her time per month in connection with a federal election. The committee's logs are reviewed by the Committee Chairperson. The committee has no other employees. To date, the Executive Director of the Fresno County Republican Central Committee has not spent more than 25% of her time in any calendar month in connection with a federal election.

Hence, no payment of federal funds for the employee salary was made and thus none is reported.

James D. Parsons, Treasurer
Fresno County Republican Central Committee
