

I am writing to amend the July Monthly and August Monthly Reports of the Prairie Political Action Committee.

The February 29, 2008 contribution to the Bill Foster for Congress Committee was incorrectly designated to the General Election. It should have been designated as Other- Special General Election.

The fundraising consultant paid by the Committee raises funds for Prairie PAC, not on behalf of any federal candidate.

A disbursement made for ?tickets, catering for baseball fundraiser? was for a Prairie PAC fundraiser, not to raise funds for any federal candidate.

I am submitting amended July and August Monthly reports. Thank you for your attention to this matter.

Sincerely,

Michael E. Daly

Treasurer

Prairie PAC
