Dear Mr. Labko:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report includes computer produced formats of Schedules A and B. Computer produced formats may only be used upon prior approval of the Commission. You should submit a separate sample format with a cover letter requesting approval. Until your format has been approved, FEC forms must be used. 11 CFR §104.2(d)

If the software your committee is using to produce the Schedules of the FEC FORM 3X does not allow you to electronically file your report, you may want to call the vendor who produced your software to inquire about the availability of a software upgrade that includes electronic filing. A number of commercial software companies have added electronic filing capability to their products. A list of these companies is available on the FEC web site, <http://www.fec.gov>.

Alternatively, freeware (FECfile) available from the FEC, can help you complete and file your reports electronically. It installs easily, computerizes every schedule in the FEC FORM 3X, contains features to help you avoid common errors, allows you to file electronically, and has free technical support for your questions. You may obtain your free copy by downloading FECfile from our web site, <http://www.fec.gov>, or by calling the Electronic Filing Office at (202) 694-1307.

Any amendment or clarification should be filed with the Federal Election Commission. Electronic filers must file amendments (to include statements, designations, and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
