

**ETEXT ATTACHMENT**

08/17/2005 10 : 28

This communication is sent in response to your August 3 letter requiring more information about the Line 12 receipt disclosed on our amended March Monthly Report. This amendment was filed because we discovered that we had inadvertently not listed this transfer-in from our affiliated corporate PAC, a PAC which was terminated in February (the transfer out from that PAC was disclosed in our termination report). As soon as we discovered this omission, we submitted the amendment.
