Re: RFAI March Monthly Report

Dear Mr. Decker

This Miscellaneous Report responds to the Request for Additional Information ("RFAI") dated March 31, 2006.

This RFAI was issued in response to incorrect Year-To-Date Totals, excess contributions, and a contribution past the election date.

Please be advised that the Year-To-Date were incorrect due to amendments of previous reports, and the totals were corrected on the March 20th monthly amendment.

The excess contribution made to Ambercrombie for Congress' 2006 Primary campaign, in the amount of \$500, has been re-designated to his 2006 General campaign on the March 20th amendment.

A request has been made to refund the excess contribution made to Political Educational Fund of the Building and Construction Trades Department, in the amount of \$1,500. Said refund should be deposited in April and reported on the May 20th monthly report.

The contribution to Matsui for Congress was incorrectly reported as a contribution for her 2005 Special-Primary, and has been re-designated for her 2006 Primary on the March 20th amendment.
