Dear Sir or Madam:

A review of the Federal Election contribution records of the National Air Traffic Controllers Association (NATCA PAC) and the National Marine Engineers' Beneficial Association (NMEBA), with whom we are affiliated, discloses that your campaign committee has received contributions in excess of the \$5000 limit for the 1996 general election campaign (see enclosure).

In order to comply with federal election law, NATCA PAC would like to re-designate \$1000 of the excess contributions to Congressman Allen's general election campaign to the primary election campaign. The re-designation should be credited to the NATCA PAC.

If you have any questions, please do not hesitate to contact me. Thank you for your cooperation.

Sincerely,
