Re: Amended October report dated 10/22

This memo is in response to your letter.

1) Regarding contributions made in November of 2000 to Mark Udall. I am unable to access the 2000 report due to software limitations, so this memo is in lieu of that amendment. Your letter noted 3 contributions to Mark Udall, dated 11/28/00, - 11/8/00 and 11/8/00. All three of these contributions were for the 2000 general election. In filing the report the date the check was cut was used and not the date of the actual expenditure. This was an error. All three should have been coded to the 2000 General Election.

2) There was a question to the contribution to Sherwood Boehlert for the purpose of primary debt reduction. We were told by his committee that he did have debt. You informed us that he did not have debt and we have requested that he refund this contribution to us.

If you have further questions, please do not hesitate to contact me.

Thanks you.
