Reference: Amended Year End Report (7/1/09-12/31/09), received 9/30/10

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

- Your amended report discloses additional receipts totaling \$15,000 on Line(s) 11(c) of the Detailed Summary Page that were not disclosed on your original report. The Commission notes your memo text stating, "This report is being amended to include \$15,000 additional receipts on line 11c. After a thorough review of bank records, it was determined that receipts sent to an old address in 2009 were not received and deposited until 2010. The transition to a new bank, reporting vendor as well as moving to electronic filing in early 2010 delayed the preparation of this amendment."
- Please provide any additional clarifying information as to why this activity was not disclosed on your original report. 11 CFR §104.3

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
