Dear Ms. Hanna:

This is in response to your letter of May 23, 2022, regarding an increase in receipts which were reported on the Amended Year-End Report (7/1/21-12/31/21).

Because of staff turnover and Covid-related staff shortages, there were contribution receipts and payroll deduction receipts which were not reported to our compliance person and, thus, did not get reported on the original Year-End Report.

As soon as these omissions were discovered, we filed the necessary amended reports. We have taken steps to ensure that these kinds of omissions do not occur again. If you need any additional information, please let me know.

Sincerely,

Andrew Halataei, Treasurer
