IDENTIFICATION NUMBER: C00618876

REFERENCE: JULY QUARTERLY REPORT (04/01/2016 - 06/30/2016)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule A of your report discloses aggregate year to date totals for contributions received from individuals which appear to be incorrect. Please be advised that federal regulations require aggregate year to date totals to include only those contributions which are received during the calendar year. In the event that the aggregate year to date total is correct, please note that federal regulations also require the disclosure of all contributions received from individuals who have contributed over \$200. 11 CFR §104.3(a)(4) Please amend your report to provide the correct aggregate year to date totals.
2. The independent expenditure schedule (Schedule E) should disclose the following information: the name and mailing address of the payee, the purpose of the expenditure, the date of payment, the amount of payment, the name and office sought, state and district (if applicable) of the federal candidate, the calendar year-to-date, per election, for office sought total, the election designation, an indication of whether the candidate was supported or opposed and the signature of the treasurer. Please amend Schedule E by providing the complete election designation and state of the Primary election for each independent expenditure. (11 CFR §104.3(b)(3)(vii))

Please be advised that the Commission determined in Advisory Opinion 2003-40 that each State's Presidential primary is considered a separate election for purposes of aggregating independent expenditures.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
