In response to your request for additional information on the May Monthly Report, Stars and Stripes Forever PAC did not exceed \$10,000 during the reporting period and therefore did not file a 48 Hour Notice. The PAC previously filed an April Quarterly Form 3X, fully reporting all Independent Expenditure activity and thus resetting the aggregate timely reporting threshold.

In speaking with the FEC Reports Analysis Division, the PAC is aware that RAD does not view filing a Form 3X as a reset to the aggregate timely reporting threshold. However, the Commission itself has not reviewed or clarified this issue, and the PAC's view of the regulations is such that a Form 3X resets the aggregate timely reporting threshold as the information has been made public.

In the spirit of cooperation and at the direction of the FEC, the PAC is filing the requested 48 Hour Notice. The PAC does not agree the Notice is missing, late, or otherwise owed, but has agreed to file the Notice as requested.

This Form 99 response combined with any subsequent timely notices will serve to respond to any future RFAI letters on this specific issue regarding the \$10,000 aggregate timely reporting threshold.
