Dear Scott Walker:

I would like to request that our committee, Political Action by Coors Employees, C00032573, change its filing frequency to quarterly filing for the remainder of the 2001 calendar year. Therefore, we will submit one more report for the year 2001, a year-end report covering September 1-December 31, 2001. If you have any questions please call Stacey Kane (202) 737-4444.
