REFERENCE: Amended Year-end report (07/01/2015 ? 12/31/2015), Received 04/26/2016  
 In a phone conversation on June 14, 2016 between FEC Campaign Finance Analyst Jack Blaisden and Strategy PAC Assistant Treasurer David Hayford, Mr. Blaisden explained the reasoning for the aforementioned letter. He stated that the amended report, as submitted, was correct in indicating that excess donations received from Federal Express PAC (\$2,000) and IBS Americas, Inc. PAC (\$5,000) included memo items stating that the excess donations would be repaid. The items were also disclosed as ?Debts and Obligations? in Schedule D. He explained that the letter was generated because the repayments were not reported on the April Form 3X for the period January 1, 2016 through March 31, 2016. Mr. Hayford explained that, due to mitigating circumstances, the over-payments were not verified until about April 24, 2016. The amended report was then filed on April 26, 2016. Thus, repayment could not have been reported in the April Form 3X. Mr. Blaisden advised filing a Form 99 in response to the letter. This is to verify that check number 2227 in the amount of \$5,000 was issued to UBS Americas Inc. PAC on April 27, 2016 as a refund of the excess donation. Check number 2228 in the amount of \$2,000 was issued to Federal Express. PAC on April 27, 2016 as a refund of the excess donation. These transactions will be reported on the July, 2016 Form 3X.
