Starting at the beginning of 2016, I was given this committee, but was not receiving bank statements. After finally getting authority to obtain the statements, I noticed that the 2016 beginning balance was off by \$2,961.87, which has continued to carry forward over the quarters. I have re-submitted and amended Quarters 1, 2, and 3; and have added in the receipt of the amount that was causing the Committee to be out of balance. Moving forward everything will be entered correctly and on time. Thank you for your time.
