Dear Dr. Rohrich:

On November 27, 2002, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

As of December 19, 2002, your response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

**-Please amend your report by providing the purpose for each disbursement itemized on Schedule B supporting Line(s) 21(b).**

An adequate response must be received at the Commission by January 8, 2003. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions related to this matter, please contact Erik Koeppen on our toll-free number
