Dear Ms. Shepard:

This letter is to inform you that as of June 13, 2001, the Commission has not received your response to our requests for additional information dated May 23, 2001. These notices request information essential to full public disclosure of your federal election campaign finances. Reference: 30 Day Post-General Report (10/19/00-11/27/00)

Dear Ms. Shepard:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses a receipt(s) from an organization(s) that is not registered with the Commission. 2 U.S.C. §441b prohibits the receipt of funds from national banks, corporations, and labor organizations. Under 11 CFR §102.6, however, certain entities may serve as collecting agents for the purpose of transmitting contributions to a separate segregated fund. A collecting agent may be, but is not limited to, a committee which is affiliated with the separate segregated fund; the connected organization; or a local, national, or international union.

Funds received from a collecting agent are to be attributed to the original contributors and should be disclosed according to the requirements of 11 CFR §104.3(a). If the amounts in question were contributed by individuals and transmitted to your committee by a collecting agent, the activity should be included on Line 11(a)(i) of the Detailed Summary Page. Any contribution from an individual exceeding \$200 in the aggregate during the calendar year should be itemized on a supporting Schedule A. Collecting agents need not be identified on your report.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you

CALIFORNIA CREDIT UNION LEAGUE POLITICAL ACTION COMMITTEE (F)
PAGE 2

have received funds from an entity which was not serving as a collecting agent, you must transfer-out the impermissible funds to an account not used to influence federal elections or refund the full amount to the donors in accordance with 11 CFR §103.3(b). In the best interest of your committee, all transfers-out and refunds should be made within thirty days of the treasurer's receipt of the impermissible funds. In order to protect the donor's interests, the Commission recommends that you inform the possible involuntary contributors in writing to provide the donors with the option of receiving a refund or granting written authorization for a transfer to another account.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action by your committee in transferring-out or refunding the amounts will be taken into consideration.

-Schedule A of your report discloses the receipt of funds from your connected organization (pertinent portion(s) attached). 2 U.S.C. §441b prohibits the receipt of funds from national banks, corporations, and labor organizations. Under 11 CFR §114.5(b)(3), however, a separate segregated fund may be reimbursed for any solicitation or other administrative expense provided that the reimbursement is made no later than thirty days after the expense was paid by the separate segregated fund.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. Please provide further clarifying information regarding the date(s) on which the committee made payments for any solicitation or other administrative expenses. To the extent that the reimbursement was made beyond thirty days, your committee must transfer the funds to an account not used to influence federal elections or refund the full amount to your connected organization in accordance with 11 CFR §103.3(b). The Commission recommends that you inform your connected organization in writing to provide them with the option of receiving a refund or granting written authorization of a transfer-out to protect the donor's interest.

Please inform the Commission of your corrective action immediately in

writing and provide a copy of your check for the transfer-out or refund. In addition, any transfer-out or refund made should be disclosed on Schedule B supporting Line 22 or 28 of the report covering the date on which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of a prohibited contribution, prompt action by your committee to refund or transfer-out the amount will be taken into consideration.

-Please amend Schedule B supporting Line 23 by providing the office sought (House, Senate, President), state and congressional district, if applicable, for each contribution made. 11 CFR §104.3(b)(3)(ii) and (v)

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
