RE: Congressional Majority Committee-ID# C00117721. Per Nicholas Ebinger's instructions, the following is an explanation to the Request for Additional information letter dated June 12, 2002. First, the Request was not received by this office until August 5, 2002. Apparently, the first request dated June 12, 2002 was sent to an incorrect address, and the Remail dated July 26, 2002 was also sent to an incorrect mailing address. It should be PO Box 746, not 716. A paper copy of the Amended Form 1- Statement of Organization, which included a Treasurer change along with a corrected mailing address was mailed on June 19, 2002. Per Mr. Ebinger's instructions, an Electronic form 1 must also be filed. This will also be completed as soon as possible.

As to the error noted in your letter, funds disbursed after the election date for the 'Volunteers for Shimkus' campaign, this error was discovered and subsequently a refund for for the excess contribution in the amount of \$4,000.00 dated June 29, 2002 was issued to the Congressional Majority Committee. However, the funds were not received until after the report cutoff date of 6-30-02. The refund will be reflected in the next Quarterly Report. We trust that this explanation adequately addresses your concerns.
